# Xerox Phaser 3210 Laser Printer

## High speed with excellent quality

- 1200dpi resolution produces superior, crispy laser image quality
- Fast 12 pages-per-minute printing boost productivity
- PCL 6 printer language enables fast printing performance

## Versatility to meet your printing needs

- Automatic & manual tray supports various paper sizes & media
- 2 output locations – Face-down output tray or Face-up output slot

## Advanced features in a compact design

- Watermark printing for customised headers such as 'confidential'
- N-up printing enables printing multiple pages on a single sheet of paper
- Poster printing in various sizes and magnifications
- Facilitate preprinted letterheads and forms on plain paper
