- Low cost.
- Network ready.

\*1 DocuPrint 2065 \*2 DocuPrint 3055

### Easy to use design

- Compact design allows for placement on the desktop.
- Requires less installation space due to full front access.
- Large paper capacity meets the demand of the busiest office environment.
- Mac OSX and Linux printer driver standard.
- PostScript 3 compatible (option).
- CentreWare IS - Check/manage printer status via web browser or e-mail.
- Add scanning functionality with a DocuScan scanner.

Combine the DocuScan C4250 scanner with either DocuPrint 2065 or DocuPrint 3055 printers for feature-rich copying and scanning capabilities.

### Powerful Printing Features

- Secure print protects confidential documents by requiring a password at the printer before printing.
- Sample print - Prints the first copy of a multi-copy document. Useful for checking a document before printing remaining copies from the control panel.
- Booklet printing.
- Duplex printing - (requires optional Duplex Unit).
- Watermark print - prints a watermark over documents. Choose from six pre-registered watermarks or create your own.
- Form print (image overlay) - prints a form over documents. Forms can be created in a variety of different applications.
- Control printing costs with the Auditron Function.

DocuPrint 3055 with optional feeders

### Flexible and reliable paper handling

- 1 The 550-sheet feeder (standard DocuPrint 3055) or the 250-sheet paper cassette (standard DocuPrint 2065) handles up to 216 gsm cover stock.
- 2 3 4 Optional Feeders (250-sheet or 550-sheet) can be added to both the DocuPrint 3055\* and DocuPrint 2065\*.

\* Maximum 3 feeders can be added. \* Maximum 2 feeders can be added.

### Auditron function

Control access with the included Auditron function. This is ideal for managing printer usage in a workgroup. Auditron allows you to set print limits for users and restrict printer access.
