

Specifications

Model	DocuPrint 240A
Print Speed (A4)	24 pages per minute
Duplex[†]	Full Speed
Warm Up Time	10 seconds
First Page Out Time	10.3 seconds
Print Resolution	1200 x 1200dpi/ 600 x 600dpi/ 2400dpi (9600 x 600dpi) or equivalent by the IE function
Processor	PowerPC 603e-266 MHz
Memory (Std/ Max)	64MB/ 320MB
Hard Disk[†]	20 GB
Monthly Duty Cycle	75,000
Media Handling	
Media Size	
Tray 1:	A4, A5, B4, B5, Letter, Legal, Envelopes, Long-size (900mm max.) Custom (76.2 - 215.9mm x 127 - 355.6mm)
Tray 2/ 3/ 4:	A4, A5, B4, B5, Letter, Legal, Envelopes, Custom (98.4 - 215.9mm x 148 - 355.6mm)
Media Type	
Tray 1 and 2:	Plain/recycled (60 to 90gsm)/ Thick (90 to 216gsm), exclusive OHP transparency, Envelope and exclusive label paper, Postcard (190g/m ²)
Duplex Print[†]:	Plain/ recycled (60-90 gsm)/ Thick (90-216gsm)
Media Input Capacity	
Tray 1:	150 sheets
Tray 2:	550 sheets
Maximum:	1800 sheets
Media Output Capacity	500 sheets (face down)

Network Software	
Fonts	PCL: 81 Agfa fonts + OCR-B, PS: 136 Adobe fonts [†]
PDL	PCL 6, PCL 5e, PS 3 [†] , HPGL2 Emulation
Supported Operating Systems	Windows 95, 98, Me, NT 4.0, (Service Pack 4 and above), 2000, XP, Windows Server 2003, Mac OS (7.61 and above) [†]
Connectivity	RS232C, IEEE1284, USB, Ethernet 10BaseT/ 100Base TX
Protocol	lpd, NetWare, SMB, Port9100, IPP, EtherTalk [†]
Operating	
Power Supply	220~240V, 50/ 60Hz; 110V, 50/ 60Hz
Average Power Consumption	660W
Dimension/ Weight	422(W) x 455(D) x 404(H) mm/ 22kg
Consumables	
Print Cartridge (up to 10,000 pages)	CT350268
Options[†]	
Duplex Module	E3300045
Postscript Kit	E3300049
A4 Universal 550-sheet Feeder	E3300048
Face-up Tray	E3300047
Offset Catch Tray	E3300046
Hard Disk	E3300052
128 MB Memory	E3300053
256 MB Memory	E3300061

[†] Optional

Big printer **power**
for the **small office**

Xerox printers. Xpect more.

The compact and sleek Fuji Xerox DocuPrint 240A is designed to give you fast, sharp and professional looking documents day in and day out. Not only will these office solutions keep up with your workload consistently and reliably but you can also do it for less. Giving you the performance you need with better value.

Range of Enriched Features
There is more than meets the eye with the DocuPrint 240A. Even though it is compact in size, it is packed with useful and convenient features to give you a big performance while saving you money.

- **Duplex Print Module** allows booklet printing by automatically arranging pages in sequence.
- **Electronic Sort** allows data to be read into memory so that subsequent copies can be read directly, printed and collated speedily. It also has the advantage of transferring data of more than one print from your personal computer to the printer.
- **Security Print** function protects documents from undesired scrutiny by storing data on the hard disk until unlocked with a password.
- **IP Address Restriction** ensures output control and may be set individually or for a group.
- **Mail Notification Service** alerts you to situations like toner or paper shortage and sends the message to a set recipient.

Easy Network Management and Support
The DocuPrint 240A is able to support various office protocols to fit seamlessly into today's intelligent office. It is easy to install and even easier to use with a host of smart features.

- **Compatible with various office environments** like TCP/IP, NetWare (IPX/SPX), NetBEUI, EtherTalk (PostScript environment) and other protocols.
- **PCL Driver Utility** makes installation and set-up effortless.
- **CenterWare Internet Services** enhances operability on a network.

Professional laser quality. Reliable, versatile and affordable

Excellent Performance

You can count on crisp, clear and sharp prints in less time with the DocuPrint 240A. That is because it is engineered to perform at unsurpassed speed, without compromising on the high quality resolution you have come to expect from Fuji Xerox.

- **True 1200 x 1200dpi resolution** at rated speed.
- **Continuous high-speed up to 24ppm printing** is ensured with the 266MHz RISC PowerPC 603 processor that also excels at handling multiple print jobs.
- **Greatly reduced warm-up time** is made possible with the Fuji Xerox unique Quick Fuser Technology.
- **Extremely high capacity printing** is possible with a monthly duty cycle of up to 75,000 prints.

Increased Convenience

Enjoy not only the benefits of a top-performance printer, but also the added features that will make overcoming work obstacles and performing beyond expectations a breeze.

- **Uninterrupted printing** is possible with its ability to continuously feed up to 1800 sheets of paper.
- **Universal trays** can accommodate a host of paper sizes and thicknesses.

All-round Affordability

In addition to guaranteed superior performance and higher productivity come substantial savings with lower cost all-round.

- **Toner consumption is reduced by 30%** with the Toner Save Mode.
- **Lowest power consumption in its class** in sleep mode and conforms to the International Energy Star Programme. The warm-up time from power-on or sleep mode is also shortened so you save energy and reduce time-cost simultaneously.
- **Low running cost** is also made possible with the high capacity toner allowing up to 10,000 pages.
