

# Satisfy your Need for Speed

# Phaser 6350 Colour Laser Printer

## Super-fast speed

Sharp, accurate colour and enhanced productivity features will put your business ahead of the competition.

## From really fast to really, really fast

Real speed is measured in performance, and these printers deliver up to an incredible 35 ppm in colour. The Fuji Xerox Phaser 6350 printer offers outstanding printing performance with powerful features to keep users in the fast lane.

### Finish projects with time to spare

With colour speeds up to 35 ppm, you can output business-quality colour prints up to 63% faster than our leading competitors.

### Speed through the toughest jobs

An 800 MHz Power PC processor keeps even your largest projects moving faster than anything else in the category.

### Forget about waiting

First-page-out time in colour is as fast as 10 seconds.

### Change gears as needed

Selectable print modes give you speedy and cost efficient options for general office use, plus premium, high-resolution colour on demand.

## Speed made simple

Using the Phaser 6350 printer is incredibly easy thanks to advanced, user-friendly tools specifically designed to enhance productivity and make it easier for workgroups to keep up with the speed of today's business.

### Save time

Our Smart Tray feature provides real-time printer and paper tray status at the user's desktop – showing available media types and sizes – and automatically selects the correct tray.

### Reduce downtime

The Phaser 6350 printer sends email alerts when consumables like toner or media run low.

### Eliminate delays

The PrintingScout® alert feature constantly monitors all print jobs, and uses pop-up windows to inform users right away of any trouble. Pop-up windows include illustrated instructions on how to fix the problem easily.

### Manage remotely

The CentreWare® IS embedded web server allows you to manage, configure and troubleshoot your Phaser printer from any location on the network using a web browser.

# Phaser 6350

Colour Printer

## High-performance colour

The Phaser 6350 will meet your most demanding business colour requirements with premium image quality and deep, defined colour, print after print:

**Brilliance:** 2400dpi provides richly detailed colour that makes your images jump right off the page.

**Accuracy:** True Adobe® PostScript® 3™ and improved controls deliver accurate colour, right out-of-the-box. New colour controls also allow users to make precise adjustments for custom applications.

**Consistency:** A single-pass print system with automatic adjustments provide consistent performance throughout long print runs.

## Power to share

You can be confident that complex print jobs and heavy print volumes won't slow your workgroup down. From small teams to large departments, the Phaser 6350 printer includes powerful tools to meet any demand for fast, high-resolution colour.

### Keep moving

With maximum paper input capacity of 2,350 sheets and a duty cycle up to 120,000 pages per month, you can meet even the largest department's needs.

### Keep growing

Built-in networking capability enables easy user access to any connected printer.

### Track group use

The Usage Analysis Tool makes it easy to collect, organise and analyse data even for large workgroups using multiple Phaser printers.

### Stay organised

The Personal Print feature separates and stores jobs, keeping outputs from intermixing and enabling each user to print all their processed jobs at one time.

### Reduce page cost

For larger workgroups, optional high-capacity toner cartridges provide the best cost-per-page value.

### Flexible paper handling

- 1 Use Tray 1 (MPT) for heavy paper up to 216gsm, envelopes, labels, business cards and other specialty media (up to 150 sheets).
  - 2 Tray 2: 550-sheet paper tray (standard) feeds 65 – 163gsm paper and transparencies.
  - 3 An additional 550-sheet paper feeder is available (standard on the 6350DT configuration).
  - 4 5 A high-capacity feeder adds two trays with 1,100 sheets of input capacity.
- Money-saving and fast automatic duplex for two-sided printing (standard).

**Consumables**

**Phaser 6350 Standard-Capacity Toner Cartridges**

|                        |           |
|------------------------|-----------|
| Cyan (4,000 pages*)    | 106R01073 |

**Options**

|   |           |
|---|-----------|
| Hard Drive  | 097S03374 |
| <small>(Includes Personal Print, Secure Print, Proof Print, Disk Collation and Extended Font Storage with hard drive)</small> |           |
| 128MB Memory DIMM   | 097S03380 |
| 256MB Memory DIMM   | 097S03381 |
| 512MB Memory DIMM   | 097S03382 |
| 550-sheet Feeder Tray   | 097S03378 |
| 1100-sheet High-Capacity Feeder   | 097S03379 |

\* Capacities are approximate, based on 5% coverage on an A4-size page  
 ^ Life expectancy is based on A4-size pages. Mixed printing patterns and specialty media, may significantly reduce the unit life.

Printer is delivered with a full set of standard capacity toners.

**SPECIFICATIONS**

**Network / Software**

**Printer management** CentreWare® IS Embedded Web Server, CentreWare® Web, Xerox NDPS Gateway, Usage Analysis Tool

**Font capabilities** 139 Resident PS fonts and 81 PCL fonts

**Printer drivers** Windows® 98SE / Me / NT® 4.0 (SP6) / 2000 / XP / Server 2003, MacOS 9.1, MacOS X version 10.2 or higher, Novell® Netware® 5.x / 6.5, Linux® Red Hat 9, Suse 9, Fedora Core 1, UNIX Sun Solaris 2.8, 2.9, 2.10, HP / UX 11.x, IBM AIX 4.3.3, Xerox Walk-Up Printing Drivers with Windows® 2000 or higher

**Language Support** True Adobe® PostScript® 3™, PCL 5c

**Paper Handling**

**Maximum input capacity:** 2,350 sheets

**Tray 1 (MPT):** standard: 150 sheet capacity; 65 – 216 gsm supports a wide range of papers, envelopes, cover stocks, labels, business cards, transparencies, and more. Media sizes: A4, A5, B5 JIS, Executive, Statement, US Folio, A/Letter, Legal, Custom sizes: width: 90 – 220mm; height: 140 – 900mm

**Tray 2:** standard: 550-sheet capacity; 65 – 163gsm supports a wide range of papers, labels, glossy coated papers and transparencies. Media sizes: A4, A5, B5 JIS, Executive, Letter, Legal, US Folio

**Tray 3:** standard on 6350DT: Capacity, media types and sizes same as Tray 2

**Trays 4 – 5:** 1,100-sheet High-Capacity Feeder. Media types and sizes same as Tray 2

**Automatic 2-sided printing:** 65 – 163gsm from all trays

**Maximum output capacity:** 250 sheets

**Special Features**

**Enhanced PrintingScout®** instantly displays pop-up Help if attention is needed throughout print job.

**Phaser Installer** automatically gets you printing in minutes. Supports scriptable install and silent install which allows easy driver installation from a centralised, remote location.

**PhaserSMART®** printer diagnostics and troubleshooting via an automated Internet-based support system.

**Smart Trays** provide real-time printer and paper tray status on users' PC desktop.

**Productivity tools** Personal Print®, Driver Colour Control, Support Centre, Usage Analysis Tool, Secure Print®, Proof Print®, Saved Print®, Booklet printing, Negative and mirror images, Scaling, Watermarks, Custom size paper, Run black, Cover pages, RAM Collation, Disk Collation®, Remote printing, Separation pages, N-Up printing, PDF-direct printing®, Configuration card, Silent install, Scriptable install, Saved job repository, Email alerts, Job completion notification  
 \*Requires hard drive

**Colour Controls**

**Colour standards** PANTONE® – approved solid-colour simulations, Adobe® PostScript® device-independent colour, CIE international colour standards, and support for TekColor, ICC and Apple® ColorSync® colour management systems

**Selectable print quality modes**  
 Standard (default): 1200 x 600dpi;  
 Enhanced: 2400 x 600dpi; Photo: 1200 x 1200dpi

**Colour correction modes** Automatic, sRGB, Display, sRGB Vivid, None, SWOP Press, Euroscale Press, Commercial Press, SNAP Press, Black and White

**Operating**

**Dimensions** Phaser 6350DP: Width: 429 mm, Height: 457 mm, Depth: 580 mm, Weight: 35 kg. Phaser 6350DT: Width: 429 mm, Height: 580 mm, Depth: 580 mm, Weight: 41.4 kg.

**Environment** Temperature: Storage: 0° to 35° C, Operating: 5° to 32° C, Relative Humidity: Storage: 15% to 85% RH, Operating: 15% to 85% RH, Noise Level: Printing: 6.95 B (55 dBA), Standby: 5.3 B (35 dBA)

**Electrical** Model: 220-240 VAC, 50/60 Hz, Consumption: Printing: 580 Watts, Standby: 120 Watts, Power Saver: 45 Watts, ENERGY STAR® qualified printer

**Regulatory** FCC Part 15, Subpart B, Listed to UL 60950 CSA-22.2 60950-00, CE Mark applicable to directives 73/23/EEC and 89/336/EEC EN 55022

**Customer Support**

One year on-site warranty plus web and telephone technical support. Optional extended warranties available.

**Warranty varies by location.** For details please check with your local Fuji Xerox Printers office (AUS: 1800 811 177, NZ: 0800 449 177) or online at [www.fxprinters.com](http://www.fxprinters.com)
